SUBMISSIONS GUIDE

For each submission we require you to do the following:

The tracks must be .wav or .aiff files with the following properties:

- **WAVE (.wav) or AIFF (.aiff)**
- **Stereo**
- **16 bit**
- **44.100kHz**

Please Note: No other formats will be accepted

Your music should be properly mixed and mastered before submitting.

Name each song with the artist name and title of the song. If the song is a remix or another mix of the original song please add that in. The format you should name your tracks are as follows.

Catalogue Number, Artist/s, Track Name, Mix (Please do not leave any spaces or special characters i.e. ‘,”, !, &, ?)

Catalogue Number starts with the first letters of your label name followed by the number of each release:

Static Plastic is abbreviated to **STPL**

Each Single, EP or Album will have its own catalogue number.

STPL001_Brand_New_Day
STPL002_Not_That_Easy
STPL003_Sdudla

Each track for each release should be named as follows:

STPL001_Philadelphia_BrandNewDay_OriginalMix
STPL001_Philadelphia_BrandNewDay_DubMix
STPL001_Philadelphia_BrandNewDay_MotherlandRemix
STPL001_Philadelphia_BrandNewDay_StaticPlasticRemix
STPL001_Philadelphia_BrandNewDay_Instrumental
STPL001_Philadelphia_BrandNewDay_Acapella

If you are featuring an artist please name your file as follows:

SPTL001_StaticPlasticFtPhiladelphia_BrandNewDay

These files should then be placed in a folder named after the album or EP:

STPL001_Brand_New_Day

For each EP or Album we will need one image that we can use to display on websites that will represent your release. Like the front cover of a CD. This you can create using a digital photo or image that will have the artist and title of the album or EP. It should ideally be a Tiff file at minimum 1500 x 1500 pixels at 300 dpi.

Artwork is essential for a release and it has been proven that it will help sell your music, so make the effort and create a stunning image that will help sell your music.

Name it as follows **STPL001_Brand_New_Day.jpg**

If you have already released an album in the market you can provide us with a CD from which we can extract the audio files and email us he artwork.

We also need a Write-up or you can include a Press-release that will explain to people what the release is about and who was involved in the production. This also helps to sell your music.

Example of a write-up:

This deep soulful track has shaken up the dance floors in South Africa and has become a must at parties. Featuring the sultry voice of Philadelphia Shayi and is produced by Static Plastic together with renowned DJ/Produced Nav Bhinder, co-founder of the legendary label Bombay Records. In addition there are also 2 remixes done by Static Plastic, the Motherland Remix and Static Plastic Remix.

Music By Static Plastic and Nav Bhinder
Vocals Written and Performed By Philadelphia Shayi
Produced, Arranged and Mixed By Static Plastic

℗ Phat Kat Music Administered By EMI Music

Attached to the email sent to you, you will find our **Static Plastic – Metadata Sheet** in XL format which must be included with every release and can be renamed after the release title. Follow the example provided in the Metadata Sheet titled **EXAMPLE OF HOW TO COMPLETE** and then enter your releases details on the page titled **YOUR CATALOG HERE** (situated on the bottom left hand corner of the document). In addition to having all your release details on one sheet this is a good way for us to keep a record of all your releases and you can add onto it as your catalog grows.

Place all the tracks together with the Artwork, Metadata Sheet, Press-release in the folder.
